Financial Accountant Position

Somerset West, Cape Town Monday – Friday | 08:00 – 17:00

The client is a proud supplier of office technology solutions, and they are looking for a dynamic Financial Accountant to join their unique team.

Key Requirements

- Has a genuine interest in business beyond the traditional accounting function
- Is naturally curious, analytical, and inquisitive
- Enjoys working independently with strong self-management and planning abilities
- Can effectively manage multiple priorities while remaining calm under pressure
- Appreciates opportunities to think creatively and contribute to solutions
- Is confident in making informed and decisive decisions
- Has a passion for learning, improving systems, and implementing new processes as environments and legislation evolve
- Bring positive energy and a proactive mindset
- Have at least 3 years of proven broad-based accounting experience, including Income Tax, PAYE, VAT, SARS and SARS E-filing, Asset Register Management, Accounts Payable, and related functions
- Have completed (or are currently completing) an Accounting Diploma or B.Com Accounting Degree, and are SAIPA or SAICA registered (or in the process of registering)
- Communicate confidently and professionally in both Afrikaans and English with team members, clients, and suppliers
- Are technologically skilled and adaptable
- Have the ambition to grow into a future leadership role

Remuneration

- Market-related salary based on experience and suitability for the role
